

Gap Designing!

How would you identify a Young, Catholic, New Zealand Pilgrim attending World Youth Day in Madrid, Spain in August 2011?

What would set them apart from other pilgrims, even other New Zealanders travelling as tourists?

We're looking for someone to design a unique Catholic New Zealand logo for a t-shirt for ALL New Zealand pilgrims to wear while travelling in Europe and attending WYD 2011

Your Design:

1. Must include the words "Aotearoa New Zealand"
2. Must be your own original work and not previously published
3. Can include the official logo for WYD2011 (reproduced exactly as above) in your design. Alternatively it can be added later in a position to complement your design.

All designs submitted will become the property of the New Zealand Catholic Bishops Conference Office for Young People.

The winning design will be used on the official New Zealand WYD 2011 t-shirt worn by ALL pilgrims. There will also be prizes awarded to high achieving designs.
